## **Capgemini Ranked #2 Outsourcing Provider in the World by International Association of Outsourcing Professionals**

***High Rating Confirms Company's Commitment to Helping Clients Drive Innovation and Achieve Value Beyond Cost Reduction***

**New York, June 26, 2007 – Capgemini, one of the world's foremost providers of Consulting, Technology and Outsourcing services, has climbed to the #2 position on the 2007 *Global Outsourcing 100*, the International Association of Outsourcing Professional's annual ranking of the world's best outsourcing providers.**

In addition, Capgemini was also rated among the world's best service providers in eight of this year's sub-list categories:

- Industry Served: Discrete Manufacturing, Government
- Services Offered: Relationship Management, Communications, Financial Management
- Geography: US., UK, Western Europe

*“Outsourcing has evolved from a way to cut costs into an effective business strategy for companies across all industries to find the very best innovation and talent, wherever it is located in the world, to better serve their customers,”* said Michael Corbett, IAOP chairman. *“In short, outsourcing drives innovation, and the leaders on the Global Outsourcing 100 demonstrate this every day.”*

Paul Spence, Head of Global Outsourcing for Capgemini and one of just two inaugural members of the IAOP's Outsourcing Hall of Fame, said Capgemini's outsourcing professionals are honored to be ranked on the Global Outsourcing 100 and are especially pleased that the high ranking reflects testimonials from satisfied clients.

*“To be rated so highly in the Global Outsourcing 100 is not only a tremendous honor for Capgemini, but it also confirms our commitment to working intimately with our clients to enable them to achieve more than cost reduction from IT and business process outsourcing,”* Spence said *“This is why Capgemini collaborates with clients to help drive innovation, continuous improvement and sustainable results based on business outcomes.”*

To be included in the Global Outsourcing 100, outsourcing service providers must pass a rigorous selection process. Companies are ranked on their applications by 18 criteria, including revenue, growth, number of employees, skills and training of their workforce, the number of technical and business certifications held, the track record of the management team and the quality of customer service.

### **About Capgemini**

Capgemini, one of the world's foremost providers of Consulting, Technology and Outsourcing services, enables its clients to transform and perform through technologies. Capgemini provides its clients with insights and capabilities that boost their freedom to achieve superior results through a unique way of working, which it calls the Collaborative Business Experience. Capgemini reported 2006 global revenues of EUR 7.7 billion (approx. US\$10 billion) and employs more than 75,000 people worldwide. More information is available at [www.capgemini.com](http://www.capgemini.com)

### **About IAOP**

The International Association of Outsourcing Professionals (IAOP), with 40,000 corporate, professional, and associate members worldwide, is leading the effort to transform the world of business through outsourcing. Its client-side members are, on average, responsible for \$60 million per year of outsourcing spending with some overseeing outsourcing programs in the billions of dollars.

Through professional and ethical standards, the *Certified Outsourcing Professional (COP) Program*, educational programs including The Outsourcing World Summit®, and recognitions such as *The Outsourcing Hall of Fame* and *The Global Outsourcing 100*, IAOP is advancing one of the 21st century's most important new management fields - outsourcing.
