Capgemini named a Leader by NelsonHall in its NEAT evaluation for SAP ERP Cloud Migration Services

Paris, March 9, 2021 – [Capgemini](#) announced today that it has been named a Leader in the [NelsonHall Evaluation & Assessment Tool \(NEAT\) vendor evaluation for SAP ERP Cloud Migration Services 2021](#). Capgemini was identified as a Leader in the 'Overall' market segment, which reflects Capgemini's ability to deliver immediate benefits and meet future client requirements for SAP ERP Cloud Migration Services.

Capgemini was commended by NelsonHall for numerous strengths, including its focus on offering flexible migration approaches, proprietary migration assets, platform as a service (PaaS) and its suite of Path industry solutions, as well as its broad client and delivery footprint.

"We are pleased to have been recognized as a Leader for SAP ERP Cloud Migration Services 2021 by NelsonHall," said Brad Little, Global Head of Application Services at Capgemini. "By combining our strong SAP transformation capability, mature SAP delivery practice, propriety industry offerings, strategic partnerships and differentiated cloud approach, Capgemini is uniquely positioned to help organizations, across industries and geographies, digitally transform their legacy IT landscape into what we call the Renewable Enterprise."

David McIntire, IT Services Research Director at NelsonHall said, *"Capgemini's SAP ERP transformation capability is built on flexible methodologies and assets to minimize disruption regardless of the client's chosen migration path, while its bundled offerings such as its SAP PaaS and Path industry solutions accelerate transformation and expand the value realized by the client."*

In this assessment, NelsonHall evaluated 15 service vendors using its NEAT methodology for SAP ERP Cloud Migration Services and classified each provider into Leaders, High Achievers, Major Players and Innovators, based on their overall ability to meet future client requirements as well as delivering immediate benefits.

The NelsonHall NEAT evaluation for SAP ERP Cloud Migration Services 2021 is available on the NelsonHall website.
