About ME

ME was originally created by member-owned industry super funds to be a fairer home loan lender, helping Australians reach the dream of owning their own home. These days we're a fully-fledged bank, but our profits still go back to the industry super funds – the very same ones that look after the retirement savings of more than seven million Australians.

We help Australians get ahead. We give you ways to get more from your savings, pay less on your loans and cut down on fees – however we can, whenever we can. We're making banking as simple as possible. Looking to get more out of your money? Make the most of ME.
