Capgemini completes the acquisition of RXP Services

Unique combination of expertise will make Capgemini a market leader in Australia and New Zealand across digital, data and cloud and support the Group's growth ambition in the Asia-Pacific region

Paris, Sydney, March 26, 2021 - [Capgemini](#) announced today that it has completed the acquisition of RXP Services (ASX: RXP). With the addition of more than 550 professionals, the deal expands Capgemini's operations in Australia. The acquisition by way of scheme of arrangement was approved by the requisite majorities of RXP Services shareholders and by the Federal Court of Australia.

Headquartered in Melbourne, RXP Services has locations in Sydney, Canberra and Hobart. The combined strength and capabilities of Capgemini and RXP Services in Australia will reinforce Capgemini's ability to provide end to end digital solutions to clients across the region at scale. This acquisition reinforces Capgemini's strategic partnerships with Microsoft, ServiceNow and Salesforce.

Olaf Pietschner, CEO for Capgemini in Asia-Pacific and the Middle East and member of the Group Executive Committee said, *"RXP's experience in delivering data and cloud solutions for a wide range of complex businesses will enable further expansion of Capgemini's offerings in Australia and New Zealand. Their extensive expertise and knowledge further deepen our networks and capabilities to meet the anticipated growth in demand for digital services and we are delighted to welcome them to the Capgemini team."*

"The acquisition of RXP will mark a step change in Capgemini's presence in Australia," said Kaylene O'Brien, Managing Director for Capgemini Australia and New Zealand. *"Organisations are operating in a more agile business environment. With the combination of our highly complementary businesses, we are well positioned as a strategic partner to enable our clients' transformation in digital, data and cloud. We look forward to welcoming the talent and leaders of RXP to Capgemini."*

"Bringing together our two organizations not only opens up a world of opportunity for RXP's people, it also accelerates Capgemini's ambitious plan for growth across the region," said Ross Fielding, Chief Executive Officer, RXP Services. *"Leveraging our combined capabilities will be hugely positive for our people, our business and our clients."*

In addition, RXP's creative agency, The Works, will open a new chapter for Capgemini in Australia, complementing the capabilities of Capgemini Invent to enable the design and delivery of end to end amazing and differentiated digital experiences for clients.

Together, Capgemini and RXP will employ over 2000 people in Australia. The combined team will focus on accelerating digital transformation for businesses across industries locally, offering capabilities in strategy and transformation, application and technology, and operations and engineering.
