**– NEWS ALERT –**

**Capgemini awarded Top Implementation Collaboration Partner for EMEA at JDA Software Alliance Partner Leadership Awards**

Paris, December 11 2013 – Capgemini, one of the world’s foremost providers of consulting, technology and outsourcing services, today announced it has received the prestigious Top Implementation Collaboration Partner award for EMEA, at the 2013 JDA Software Focus Partner Awards Ceremony in London, UK. The annual awards recognize global partners’ excellence in working with JDA Software, a leading global supplier of supply chain software.

Gérald Poncet, Capgemini Global Consumer Products & Retail Sector Lead for the JDA alliance in EMEA, said: *“We are honored to receive this award, which is testament to our strength in global supply chain management and retail solutions. This prestigious award underlines the continued collaboration between our organizations over the years, to the benefits of our joint customers in EMEA and beyond.”*

*“Capgemini has been a significant partner in Retail and CPG over many years across the U.S. and EMEA. In the past 12 months we have seen large and strategic services collaborations across marquee customers,”* said Rolf Donslund, Senior Director Alliances EMEA, JDA Software. *“Our teams integrate well to achieve the best combination of skills and resources to deliver the shortest and best route to customer success.”*

The annual awards recognize collaboration excellence in supply chain solutions. Originally focused in North America, 2013 is the first year that the program has been extended into EMEA as well. The Top Implementation Collaboration Partner EMEA category was an acknowledgement that Capgemini offers one of the broadest supply chain management and retail planning consulting capabilities in the market, with its teams helping companies across industry sectors globally to deliver end-to-end services—from targeted project support to large-scale global supply chain transformations.
