Capgemini Group Positioned as a Leader in Gartner's 2015 Magic Quadrant for Application Testing Services, Worldwide

Paris, December 9 2015 – Capgemini, one of the world's foremost providers of consulting, technology and outsourcing services, today announced that it has been positioned as a leader by Gartner, Inc. in the latest "Magic Quadrant for Application Testing Services, Worldwide."[1]

Capgemini, Group has been positioned as a leader based on its "ability to execute" and "completeness of vision."

Govind Muthukrishnan, Senior Vice President and Testing Global Service Line Leader at Capgemini Group, said: *"We are delighted to be consecutively recognized as a Leader for the 2nd year in a row in Gartner's Magic Quadrant for Application Testing Services, Worldwide for our transformation approach, global reach and delivery capabilities. We believe Capgemini-Sogeti's consistent positioning year-on-year is a testament to our expertise in testing services in the global market. In a world where traditional QA and transformational QA coexist, Capgemini-Sogeti will continue to focus on balancing technology alignment and business alignment, as we embrace the highly integrating world of agile, Digital and DevOps. "*

The quantitative criteria outlined by Gartner included:-

- Pure-play companies derive more than 90% of revenue exclusively from application testing services. The requirement for this research was for these companies to have a minimum of $50 million in annual revenue (measured over 2014 — not the provider's fiscal year).

- Full-service providers of application-related services are required to have $400 million in annual application testing service revenue (measured over 2014 — not the provider's fiscal year).

- Providers must have regional-based testing delivery capabilities in at least two worldwide regions: North America (U.S. and Canada), Latin America, EMEA, and Asia/Pacific and Japan.

With over approximately 17,200 dedicated application testing professionals and a further 14,500 application specialists worldwide, Capgemini-Sogeti are regarded as one of the most trusted partner and testing innovation
