Capgemini wins 2022 Salesforce Partner Innovation Award

Paris, November 14, 2022 – [Capgemini](#) today announced that it has won the 2022 Salesforce Partner Innovation Award in the ‘Experience’ category for its outstanding work with [Pensioenfonds Detailhandel](#), one of the largest mandatory sector related pension funds in the Netherlands.

Capgemini enabled the digital transformation of Pensioenfonds Detailhandel by implementing an innovative digital pension services solution. This new platform addresses administration challenges for the client and provides real-time insights to employers, employees, fund management agencies and service agents. The new state-of-the-art and highly secure platform provides greater flexibility in managing process steps, onboarding new funds and adding new legislation.

Anirban Bose, CEO of Capgemini’s Financial Services Strategic Business Unit and Group Executive Board Member said, *“This Salesforce Partner Innovation Award recognizes the spirit of innovation that Capgemini brings to its transformation projects. We are delighted to have worked closely with Pensioenfonds Detailhandel to deliver real business value. This award highlights our continued commitment to drive exceptional business outcomes for our clients by leveraging the full potential of technology that helps them to stay ahead of the curve.”*

“Salesforce Partner Innovation Award winners, such as Capgemini, help clients grow faster and drive faster growth in this new digital economy,” said Tyler Prince, Executive Vice President, Alliances & Channels, Salesforce. *“Salesforce partners are integral to enabling digital transformation and driving client success.”*

Capgemini is part of the growing Salesforce economy, which according to a [study by IDC](#), is projected to produce 9.3 million new jobs and \$1.6 trillion in new business revenue by 2026. The Salesforce Partner Innovation Award recognizes outstanding innovation and partners who have delivered transformative solutions and customer success. In its 10th year, the awards saw 850+ case study submissions.
