

The background features a series of white, wavy, layered structures that create a sense of depth and movement. A blue line, resembling a stylized wave or a path, curves across the scene. The overall color palette is light blue and white.

**YOU'VE STARTED ON THE PATH TO
CORE MODERNIZATION.**

**HAVE YOU REALIZED
THE VALUE YOU EXPECTED?**

Only 47%

of insurers feel they are achieving their
planned ROI on core modernization.

What was supposed to be transformative is now
slowing you down – what was supposed to be agile is now inflexible.

It's time to take back control.

Harnessing Guidewire cloud not as the sole-solution, but by leveraging
it as the enabler of an ecosystem, can help you maximize your ROI and
continuous value realization.

You need a trusted partner on this journey towards excellence.

CREATE A BRAND DIFFERENTIATING EXPERIENCE

We will work with you every step of the way on your Guidewire Cloud Journey!

You are here

- Made significant investments in core systems modernization with on-premises Guidewire products, but left with highly customized, inflexible systems.
- We'll start by helping you refine your strategy and develop the business case for moving to Guidewire Cloud.

Determine if the move to Guidewire cloud is right for you

- Establish a shared strategic vision for enterprise transformation.
- Explore the costs and benefits of migrating to the cloud.
- Align cloud migration with long-term strategic objectives.

Step 1

Step 2

Orchestrate a customer-centric transformation

- Deliver an efficient, predictable cloud migration.
- Unlock business and technical agility to fuel broader business transformation.
- Design a target operating model and build the culture to support it.

Continuous Value Realization

- Enable new capabilities and products with Guidewire Cloud Transition.
- Align business strategy, develop new business models.
- Select the right ecosystem partners to drive intelligent automation, AI, and the differentiating capabilities you'll need.

Step 3

SEAMLESSLY TRANSITION with our Guidewire Cloud Upgrade Factory

Partnering with Capgemini gives you access to our Guidewire Cloud Upgrade Factory. This industrialized delivery approach through a dedicated facility accelerates the transition time and reduces complexity while minimizing business interruption.

Save time, save money, and increase your confidence – you're with a trusted partner now.

First partner to earn the Migration Acceleration Specialization

OUR FACTORY MODEL CREATES REAL BENEFITS FOR OUR CLIENTS...

We do it **faster**

10-20%

Reduction to timeline

We do it **cheaper**
