## **Martin Weis appointed new Managing Director of Capgemini in Switzerland**

**Zurich, July 22, 2025, [Capgemini](#) announces the appointment of Martin Weis as the new Managing Director in Switzerland, effective from June 1<sup>st</sup>, 2025.**

*"I am delighted to welcome Martin on board with us. He brings over 25 years of experience across diverse industries such as life sciences, consumer products and banking. With his entrepreneurial mindset, innovative thinking, and results-oriented execution, he is well positioned to support our growth ambition in Switzerland. I'm confident that Martin will help us strengthen our presence in the region,"* says Marco Perovani, CEO of Capgemini's Europe Cluster Business Unit. *"I also want to express my gratitude to Guido Kamann for his contributions in leading Capgemini in Switzerland and wish him good luck for his future endeavors."*

*"I am deeply honoured to take on the role of Managing Director for Capgemini in Switzerland. Swiss organizations are at a pivotal moment in their dual transition toward digitalization and sustainability. I look forward to accelerating Capgemini's growth and impact in this dynamic market and to driving tangible value across key industries such as life sciences, consumer products, and banking for our clients. With a focus on deepening client partnerships and fostering innovation for sustainable outcomes,"* says Martin Weis, newly appointed Managing Director of Capgemini in Switzerland.

### **Biography: Martin Weis**

Martin is a distinguished professional with over 25 years of experience of supporting clients in implementing digital platforms, enhancing customer experience with shared services, providing strategic consulting and even deploying advanced artificial intelligence solutions.

Throughout his career, Martin has earned recognition for his leadership, innovative thinking, and results-oriented execution. In his prior role, he was the Managing Director of Infosys Consulting, overseeing the German and Swiss markets and has also led the global AI Experience practice at Infosys. Martin has also worked at EY, where his role was pivotal in building and leading the European analytics, AI, and automation consulting practice.

He is deeply passionate about technology and innovation and firmly believes in its transformative potential when human capabilities are augmented by digital technologies.
