Capgemini named a Leader in the Gartner 2021 Magic Quadrant for Data and Analytics Service Providers

Paris, March 30, 2021 – Capgemini announced today that it has been named a Leader in the Gartner 2021 “[Magic Quadrant for Data and Analytics Service Providers](#)”, for its completeness of vision and ability to execute. The Gartner Magic Quadrant evaluated a total of 19 service providers for their data and analytics offerings and positioned Capgemini as a Leader for the fifth consecutive time.

"We are very pleased to be recognized as a Leader by Gartner in its Magic Quadrant for Data and Analytics Service Providers. We believe this positioning illustrates Capgemini's commitment to deliver truly data-powered digital transformations of our clients' businesses. We do this through a collaborative approach, combining scalable services and innovative solutions by leveraging our portfolio of full-service data and analytics capabilities," said Zhiwei Jiang, CEO of the Insights and Data Global Business Line at Capgemini.

Capgemini's Insights and Data team, consisting of around 25,350 professionals globally, engages its clients with relevant thought leadership and research, and brings innovation to its data and analytics delivery.
