

## **Capgemini named a Leader in the Everest Group PEAK Matrix® for Finance and Accounting Outsourcing Service Providers 2021**

**Paris, January 12, 2022 – [Capgemini](#) today announced that it has been positioned as a Leader in the Everest Group PEAK Matrix® for Finance and Accounting Outsourcing (FAO) Service Providers 2021. This is the eighth consecutive year that Capgemini has secured a Leader position for its expertise in this space. The report assessed the market impact, vision and capabilities of 28 FAO service providers globally.**

Capgemini was recognized by Everest Group for its strengths in the following areas:

- Robust digital ecosystem and consulting experience, offering a comprehensive suite of solutions across the finance and accounting value chain
- Unique platform-based architecture, Digital Global Enterprise Model (D-GEM), that provides business transformation and benchmarking to guide the right digital operating model for clients
- Increased inclusion of Digital Twin capabilities in service delivery, which helps to predict issues, avoid bottlenecks and drive service efficiency
- Deep industry expertise in serving key clients across several sectors globally
- Strong client-centricity and a relationship-driven approach which is appreciated by clients
- Providing seamless transition and strong support to clients during the pandemic

*"We are delighted to be recognized by Everest Group for our finance and accounting services for the eighth consecutive year. This demonstrates our continued commitment to provide future-ready, tech-backed innovative solutions for our clients that transform their finance functions and enable what we call '[frictionless finance](#)'. Backed by our proven Digital Global Enterprise Model platform, which leverages AI-enabled solutions and operating models, and a strong partner ecosystem, we continue to future proof and deliver results that unlock the potential of an organization's finance function,"* said David Lumley, Global Head of Finance and Accounting Practice, Capgemini's Business Services.

*"Capgemini combines its technology prowess, strong consulting practice, and vast partnership ecosystem to support clients with a suite of differentiated solutions across the end-to-end F&A value chain. Driving its F&A proposition through its contextualized D-GEM offerings, digital twin capabilities, client-centricity, and strong relationship driven approach, Capgemini continues to maintain its Leader position in Everest Group's 2021 Finance and Accounting Outsourcing (FAO) PEAK Matrix® Assessment."* said Shirley Hung, Partner, Everest Group.

### **About Capgemini**
