Limited Slots Available

Innovating in Uncertainty

Event Snapshot

- A fresh and candid approach to innovation for all business leaders, from the c-suite to intra/entrepreneurs, who are exploring how to set an agile strategy to iterate and innovate their business model in these unprecedented times
- Utilising the exciting, new 'Hopin' platform, we will provide you with access to world-class speakers, intimate Q&A sessions, and 1-on-1 networking with all participants
- Across +2 hours, we will take you on a unique digital experience to learn and be inspired by our thoughtful community, with practical takeaways to implement innovation in your own company

Thursday
26th November
