

# Capgemini UK Business Continuity Statement

## Our Commitment

Capgemini UK is committed to protecting our team members, the services we provide to our customers, our business operations and our reputation through an effective Business Continuity Management programme.

Capgemini UK operates a Business Continuity programme which adopts the fundamentals of ISO22301, considering risks in our business environment and our obligations to satisfy applicable legal, regulatory, and contractual requirements we aim to minimise the impact of any event that threatens to disrupt our operations and to continually improve our business continuity management system to increase our corporate resilience.

## About Capgemini

Capgemini is a global leader in partnering with companies to transform and manage their business by harnessing the power of technology. The Group is guided everyday by its purpose of unleashing human energy through technology for an inclusive and sustainable future. It is a responsible and diverse organization of 325,000 team members in more than 50 countries. With its strong 55-year heritage and deep industry expertise, Capgemini is trusted by its clients to address the entire breadth of their business needs, from strategy and design to operations, fueled by the fast evolving and innovative world of cloud, data, AI, connectivity, software, digital engineering and platforms. The Group reported in 2021 global revenues of €18 billion.
