Capgemini and Nufarm Limited scoop the 2018 ISG Paragon Award™ EMEA

Paris, October 31, 2018 – [Capgemini](#) today announced that it has won jointly with its client, [Nufarm Limited](#), one of the world's leading crop protection and specialist seed companies, a 2018 ISG Paragon Award™ EMEA for 'transformation'. The award was given in recognition of Capgemini's successful collaboration with Nufarm to standardize its business operations.

The ISG Paragon Awards™ EMEA celebrate the evolution of the sourcing industry through the application of new sourcing approaches and digital technology, including the use of intelligent automation. Capgemini's successful transformation program for Nufarm to consolidate its business operations in line with the new ERP setup, included a jointly built operating model for process design, supporting the systems testing, organizational training and change management. Capgemini delivered world class [Finance and Master Data](#) solutions and have been running Nufarm's shared service operations on the new ERP, streamlining the processes and records by leveraging its [Automation Drive](#) and [Digital Global Enterprise Model](#) methodologies.

Anis Chenchah, CEO Business Services, and member of the Group Executive Committee at Capgemini said: *"The ISG Paragon award for streamlining Nufarm's business processes is a testament to our successful collaboration with them. It is the result of our deep industry knowledge, well established Oracle expertise, proven methodology and a transformation approach, which has been the driving force behind our joint success."*

Morris Lieberman, Global CIO at Nufarm Limited said: *"This award represents and recognizes the strong partnership between Capgemini and Nufarm – a strength that lies in the shared passion of our respective teams, their enthusiasm and determination, along with the drive to achieve our business goals. This collaborative association has led to us achieving enhanced reporting, transparency and availability of data that is helping us make faster business decisions."*

ISG is a leading global technology research and advisory firm. The winners for the ISG Paragon Awards™ EMEA were selected by an independent panel of industry experts drawn from the fields of business, media, and philanthropy.
