Capgemini named a Leader and Star Performer in the Finance and Accounting Outsourcing Service Provider Landscape with PEAK Matrix™ Assessment 2016 by Everest Group

Paris, 1 September 2016 - [Capgemini](http://www.capgemini.com), a global leader in consulting, technology and outsourcing services, today announced it has been positioned as a Leader and Star Performer in the Finance and Accounting Outsourcing Service Provider Landscape with PEAK Matrix™ Assessment 2016 by Everest Group.

According to the report, “Market Star Performers are selected depending on the relative year-on-year movement of each service provider, on the PEAK Matrix™ of FAO delivery capability and market success”. 26 Service providers were evaluated based on parameters such as “scale, scope, technology solutions & innovation, delivery footprint, and buyer satisfaction.” The report acknowledged Capgemini’s strengths around technology and innovation.

Aruna Jayanthi, Head of Business Services, and Member of the Group Executive Committee at Capgemini said: *“We are pleased to be recognized once again as a Leader and Star Performer by the Everest Group. Capgemini keeps innovation and excellence at the forefront of delivering its world class solutions to clients globally. Our strong industry expertise coupled with the ability to address the specific and unique business challenges of our customers is a testament to our sustained positioning in the Everest PEAK Matrix.”*

Capgemini is a recognized leader in the provision of Finance & Accounting Outsourcing services. Its portfolio of services is designed to successfully complete its customers’ business operations in two ways: either with traditional business process outsourcing (BPO) solutions, or through cloud-based platforms that combine BPO, applications and infrastructure. These platforms enable integrated management of IT and operations linked to support functions — finance, procurement, supply chain management, human resources and client relationship management — or to sector-specific functions such as claims management for insurance providers.
