Capgemini positioned as a Leader and Star Performer in the Finance and Accounting Outsourcing Service Provider Landscape with PEAK Matrix™ Assessment 2015 by Everest Group

Paris, 4 November 2015 - [Capgemini](#), one of the world's foremost providers of consulting, technology and outsourcing services, today announced that it has been named a Leader and Star Performer in "Finance and Accounting Outsourcing Service Provider Landscape with PEAK Matrix™ Assessment 2015" released by Everest Group. Capgemini was positioned highly on Everest Group's PEAK Matrix™ on Finance and Accounting delivery capability and market success.

As per the report, the "Everest Group selects Market Star Performers based on the relative year-on-year movement of each service provider, on the PEAK Matrix™". The criteria to assess organizations on Finance and Accounting delivery capability were based on parameters such as "scale, scope, technology solutions & innovation, delivery footprint, and buyer satisfaction." 24 service providers were assessed based on 1600+ large, multi-year FAO contracts for 2015 PEAK Matrix™. The report highlighted Capgemini's "best-in-class capabilities in technology and innovation."

[Christopher Stancombe](#), CEO of BPO and member of the Group Executive Committee at Capgemini said: "As one of leading Finance and Accounting BPO providers in the world, Capgemini has always been committed to delivering business value to its customers with world class solutions tailored to their requirements. We are delighted to be recognized as a Leader and Star Performer by Everest Group for our contribution and expertise in the Finance and Accounting domain, consistently working towards optimizing operational excellence, enabling transformation of our customers' business outcomes."

Capgemini's extensive portfolio of Finance and Accounting services enables organizations to enhance efficiency, effectiveness, and control to deliver value across the overall business. Capgemini has a diverse base of BPO delivery centers globally equipped to bring about innovation and excellence to its customers.

Over 12,500 employees are delivering F&A services to more than 70 clients from 23 interconnected delivery centers from 13 countries across the world including Australia, Brazil, Canada, China, Chile, Guatemala, India,

Poland, and the U.S. Capgemini has increased its growth momentum by leveraging its unique Global Enterprise Model (GEM)¹ approach enabling business transformation across organizations.
