Capgemini Positioned as a Leader in Gartner's 2015 "Magic Quadrant for SAP Implementation Services, Worldwide"

Paris, 25 August 2015 – [Capgemini](http://www.capgemini.com), one of the world's foremost providers of consulting, technology and outsourcing services, today announced that it has been positioned as a leader by Gartner, Inc. in the latest "Magic Quadrant for SAP Implementation Services, Worldwide." ¹

Capgemini has been positioned as a leader based on its "ability to execute" and "completeness of vision." Capgemini was assessed along with 16 other service providers for SAP® software implementations.

Jerry Lacasia, global SAP partner executive at Capgemini, said: *"We pride ourselves on being recognized once again as a leader by Gartner, which we believe is testament to the significant investments we have made in new and innovative SAP solutions, particularly around SAP S/4HANA, SAP hybris Commerce and SAP SuccessFactors solutions. Capgemini has consistently acted as trusted advisor to its clients regarding SAP innovation and transformations, such as Digital, and is delivering business outcomes and successful implementations with high levels of satisfaction. We value our strategic partnership with SAP and look forward to further success."*

Capgemini has over 15,900 professionals skilled in SAP solutions, with more than 10,600 dedicated to implementation, working with companies of all sizes. Capgemini is serving 1,300 clients across sectors like retail and consumer products, oil and gas, manufacturing, public sector, financial services, utilities and energy. As a global SAP partner, Capgemini has expertise in delivering value across the complete lifecycle of SAP solutions, including licensing, implementation, infrastructure and application management.
