## **Capgemini positioned in the Winner's Circle by HfS Research Blueprint report for Finance and Accounting BPO**

Paris, 19 March 2015, [Capgemini](#), one of the world's foremost providers of consulting, technology and outsourcing services, today announced that it has been positioned in the "Winner's Circle" in the HfS Blueprint Report: Finance and Accounting BPO. The report highlights Capgemini's strength as a transformative Finance and Accounting BPO service provider with key process transformation and finance analytics capabilities, giving it competitive edge on the market.

According to the HfS Research report, Capgemini is positioned in the Winner's circle based on its outstanding client relationships, customer wins in recent years, an effective Global Enterprise Model (GEM)<sup>1</sup>, and integration of technology into business processes. The report stated that Capgemini was a "global service provider with strong transformational capabilities and a full set of offerings."

[Christopher Stancombe](#), CEO of BPO and member of the Group Executive Committee at Capgemini said: *"Capgemini has always been at the forefront of delivering best-in-class Finance and Accounting BPO services tailored to meet customer's requirements, while developing deep-rooted relationships with clients. We are very proud of being in the Winner's circle, further improving our position from 2013 to be ranked as a world leader for Finance & Accounting BPO services."*

Phil Fersht, Chief Executive at HfS Research: *"Capgemini is excelling as one of the most progressive finance and accounting services providers. During our Blueprint<sup>TM</sup> analysis, Capgemini F&A clients cited the firm's strong relationship focus and its dedication to providing talent to improve the value of finance delivery. In our view, Capgemini's Global Enterprise Model and proven ability to provide this service quality consistently sets it apart at the forefront of the F&A market."*

Capgemini has a range of end-to-end Finance and Accounting services designed to help organizations enhance efficiency, effectiveness, and control while delivering value across the overall business. Capgemini's

---

<sup>1</sup> Capgemini's Global Enterprise Model (GEM) is a transformation methodology comprised of 7 levers including grade, location and competency mix, Global Process Model, technology, pricing and governance, all of which are calibrated according to each client's specific needs.

unique Global Enterprise Model (GEM)<sup>™</sup>, has proven to be a powerful analytics-driven BPO platform for driving business transformation across organizations.
