Capgemini recognized in the Winner's circle by HfS Blueprint Report for Product Lifestyle Management (PLM) Services

Paris, January 25, 2017 – [Capgemini](http://www.capgemini.com), a global leader in consulting, technology and outsourcing services, has been recognized in the Winner's Circle in the HfS Blueprint Report: Product Lifestyle Management (PLM) Services. The report shows Capgemini's strong positioning and highlights its expertise in providing organization-wide consulting and delivery capabilities.

According to the HfS Blueprint report, Capgemini is positioned in the "Winner's Circle" based on the level and depth of its client engagement and satisfaction, strong manufacturing industry expertise, its dedicated manufacturing Center of Excellence named CHROME showcasing best practices, consulting-led delivery of PLM services, in-house tools and accelerators, and its strong presence across Europe.

Sanjay Salunkhe, Head of Product and Engineering Services at Capgemini said: *"We are delighted to be featured in the 'Winner's Circle' of this HfS report which recognizes our vision for the evolution of PLM services. Our customers are aware of the digital imperatives for PLM as products become more complex in today's connected world; Capgemini has built its portfolio to be a trusted advisor and business partner for our customers in the PLM space. This recognition is a testament to the fact that we are providing lasting business impact for our customers through successful PLM transformations."*

The HfS PLM Services Blueprint collected more than 650 data points and, assessed 13 service providers of PLM Services and identified relevant differentials between service providers across a number of facets in two main categories: innovation and execution.
