Capgemini Wins Pegasystems Partner Award 2016 for Partner Excellence in Driving Growth

Recognized for new business development growth initiatives and Pega Practice expansion

Paris — June 7, 2016 — [Capgemini](#), one of the world's foremost providers of consulting, technology and outsourcing services, today announced it has received the Partner Excellence in Driving Growth Award from [Pegasystems Inc.](#) (NASDAQ: PEGA), the software company empowering the world's leading enterprises with strategic business applications. Capgemini received the accolade during the annual [Pegaworld](#) conference this week in Las Vegas.

Capgemini was recognized for its shared contribution towards driving Pega solutions to its customers resulting in increased Pega license bookings and growth in the respective partners' delivery practices. Capgemini shares a 10-year relationship with Pegasystems serving clients across key sectors such as Banking, Insurance, Capital Markets, Healthcare, Public Sector, Telecommunications, Hi-Tech Manufacturing and Automotive. The relationship has expanded to newer geographies such as Latin America, notably in Brazil where Capgemini has launched key solutions across multiple industries.

Capgemini is delivering key digital transformation initiatives for its clients using the full suite of Pega solutions and applications that deliver better customer experiences with personalized engagements. The recent acquisition by Pegasystems of [OpenSpan](#) enhances this effort as Capgemini and Pegasystems integrate advanced robotics and automation within these solutions to further drive enterprise productivity.

Capgemini's Digital Center of Excellence for Pega Technology delivers business transformation solutions based on Pega's strategic applications with key industry use cases. Capgemini subject matter experts develop and advance Digital Transformation-based solutions to solve some of the

most complex client business issues while leveraging its AIE (Applied Innovation Exchange) network.

Sreekumar Vadakkepat, Global Partner Executive – Digital at Capgemini, said: *“We are delighted to be honored with a Pega Partner Award for the fifth year running. Our association with Pegasystems has evolved over time to address changing customer needs. Together, we provide cutting edge technology solutions to shape the IT landscape of our customers globally. With Pegasystems we deliver leading digital transformation solutions to our joint customers including full spectrum CRM specifically tailored to customer experience needs.”*

Ken Nicolson, VP, Global Alliances, Pegasystems said: *“We are proud to congratulate Capgemini for its consistent support and commitment in delivering exceptional new business development opportunities and advocating Pega’s solutions to our joint customers. This valuable collaboration helps drive business transformation for our customers through Capgemini’s deep industry expertise and ability to enhance customer experience.”*
