Capgemini Named Global Consulting & Integration Partner of the Year at VMware Partner Exchange 2014

Partners from Around the World Recognized for Delivering Outstanding VMware Virtualization and Cloud Solutions in the Mobile Cloud Era

Paris, February 24 2014 — Capgemini, one of the world's foremost providers of consulting, technology and outsourcing services, today announced that it has received the Global VMware Partner Network Award in the Consulting and Integration Partner of the Year category. The award was presented at VMware Partner Exchange 2014, VMware's annual partner event, held in San Francisco.

"I am pleased to recognize this select group of partners who distinguished themselves at the global level in 2013," said Dave O'Callaghan, senior vice president, Global Partner Organization, VMware. *"VMware is dedicated to educating and equipping our partners with the resources they need to master the new reality of the software defined enterprise that enables more agile delivery of IT services – for organizations of all sizes. We congratulate Capgemini on winning a Global VMware Partner Network Award and look forward to our continued mutual success in 2014."*

"We are proud of our strategic partnership with VMware and this award is a testament to our joint efforts. We are building a foundation for enabling true business agility for enterprises by the consumption of IT-as-a-Service. We are now looking forward to working with VMware to further support organizations on this journey," said Charlie Li, Senior Vice President, Global Channels and Partners, Capgemini.
