Capgemini positioned in “Leaders” Quadrant in Gartner’s Magic Quadrant For SAP Implementation Service Providers, Worldwide

Paris, 7 August 2014, [Capgemini](http://www.capgemini.com), one of the world’s foremost providers of consulting, technology and outsourcing services, today announced that it has been positioned as a leader by Gartner, Inc in the latest “Magic Quadrant for SAP Implementation Service Providers, Worldwide” ¹.

Capgemini has been positioned based on its ‘ability to execute’ and ‘completeness of vision’.

Jerry Lacasia, Global SAP partner executive at Capgemini, said: “*We are delighted to be recognized by Gartner once again as a leader in SAP service implementation. Importantly, we have been able to improve upon our position in the leaders’ quadrant, compared to last year. We believe this is testament to our continued and significant investment in SAP innovations - including our leadership position with SAP HANA and our numerous co-innovation engagements for example in Mobile – as well as the high level of customer satisfaction in the delivery of successful SAP implementations.*”

Capgemini has over 14,500 SAP-skilled professionals, with nearly 40% located in global delivery centers and more than 1,300 SAP services clients worldwide. Capgemini’s SAP implementation business is across all major industries including consumer goods and retail, energy & utilities, manufacturing, public sector and financial services, working with companies of all sizes.
