## **The Capgemini Group positioned as a Leader in Gartner's 2016 Magic Quadrant for Application Testing Services, Worldwide**

*Named a leader for the third consecutive year based on its ability to execute and completeness of vision*

Paris, December 13, 2016 - [Capgemini](http://www.capgemini.com), a global leader in consulting, technology and outsourcing services, today announced it has been positioned as a Leader in Gartner's November 2016 Magic Quadrant for Application Testing Services, Worldwide. The Capgemini Group, including its wholly-owned subsidiary Sogeti, has been recognized as a Leader for the third year in a row.

Hans van Waayenburg, Member of the Group Executive Committee and Leader, Testing Global Service Line, Capgemini Group said: *"We are delighted to be recognized, for a third consecutive year, as a Leader in Application Testing Services. Capgemini and Sogeti's combined capabilities have successfully led us to provide world class testing and quality assurance solutions to support our clients' digital transformation initiatives, enabling greater business value and competitiveness."*

With robust capabilities of 17,000 dedicated application testing professionals, global delivery centers across 40 countries and industry leading expert platforms such as <sup>1</sup>TMap® and TPI® and <sup>2</sup>Smart Quality Assurance (QA), the Capgemini Group has proven itself to be a global thought leader and Testing innovator with a focussed approach on helping organizations to meet their business goals. Capgemini's Application Testing Services provide a comprehensive portfolio of solutions that help customers reduce the risk of application or system failure and ensure their organization's systems operate seamlessly and consistently to meet the expectations of both business users and customers.
