

Capgemini Mexico is looking for AWS Admin Support

Location: any state of Mexico

Industry - Sector: Financial Services – Banking

Responsibilities:

- **Manage and maintain AWS infrastructure**, ensuring high availability and security.
- Configure, monitor, and **optimize AWS services such as EC2, S3, IAM, VPC, RDS, and CloudWatch**.
- Automate deployments and infrastructure provisioning using **Terraform/CloudFormation**.
- Implement security best practices, including **IAM policies, encryption, and network security**.
- Troubleshoot AWS-related issues and provide technical support.
- Monitor system performance and optimize resource utilization.
- Collaborate with DevOps and development teams for seamless cloud operations.

Required Skills:

- Strong experience with **AWS services (EC2, S3, IAM, VPC, RDS, CloudWatch, etc.)**.
- Proficiency in **infrastructure as code (Terraform, CloudFormation)**.
- Experience with **Linux administration and shell scripting**.
- Knowledge of networking, security best practices, and cost optimization in AWS.
- Familiarity with monitoring tools like **CloudWatch, Prometheus, or Grafana**.
- Strong troubleshooting and problem-solving skills.

Soft skills: Work Underpressure, Quality at work, Results Oriented

What can YOU expect in a career with Capgemini?

- Working in a team environment, Consultants will focus on the analysis, design and development of technology-based solutions for Capgemini's clients.

- You will work alongside technical, functional and industry specialists to assist with the development, implementation and integration of innovative system solutions including methods, techniques and tools.
- You will contribute to client satisfaction by providing timely and responsive value-added services and work products.
- Capgemini offers a competitive compensation and benefits package.
- Headquartered in Paris, France, Capgemini has a presence of more than 340 thousand professionals in Mexico distributed among 3 sites located in Mexico City, Monterrey and Aguascalientes. A deeply multicultural organization.
- Capgemini has developed its own way of working, the Collaborative Business Experience™, and draws on Rightshore, its worldwide delivery model.

You will love this job because

- Capgemini focuses on giving each new hire a YOU-nique experience through our recruitment process and on-boarding program, as well as by helping you to build your own career and professional skills foundation.
- Capgemini provides a collaborative environment that embodies and holds the following stated values close to heart: Honesty, Boldness, Trust, Freedom, Team Spirit, Modesty, and Fun.
- Capgemini cultivates an atmosphere for development that enables YOU to be hands-on, planning for your growth, both horizontally and vertically.

"At Capgemini Mexico, we aim to attract the best talent and are committed to creating a diverse and inclusive work environment, so there is no discrimination based on race, sex, sexual orientation, gender identity or expression, or any other characteristic of a person. All applications welcome and will be considered based on merit against the job and/or experience for the position"
