2018 Capital Markets Day

Paris, October 30, 2018 – Capgemini is holding today in London its 2018 Capital Markets Day dedicated to financial analysts and institutional investors.

The Group will notably present its strategy in terms of portfolio management and client centricity, which are key success factors of its growth, profitability and resilience. Several client keynotes will illustrate these themes, which shall be delivered by leading companies whose digital transformation is supported by Capgemini.

Presentations used during the event will be available for download from our investor website at: <https://investors.capgemini.com/capital-markets-day-2018>.

On this occasion, the Group reiterates its ambition to achieve a medium-term operating margin between 12.5% and 13.0% and organic growth between 5% and 7%.

2018 OUTLOOK

As announced at the publication of its Q3 2018 revenues on October 24, the Group aims for 2018 to accelerate its growth with revenue progression above 7.5% at constant exchange rates, to increase profitability with an operating margin of 12.0% to 12.2% and to generate an organic free cash flow in excess of €1 billion.

PROVISIONAL CALENDAR

February 14, 2019	2018 results
April 25, 2019	Publication of 2019 Q1 revenues
May 23, 2019	Combined Shareholders' Meeting

DISCLAIMER

This press release may contain forward-looking statements. Such statements may include projections, estimates, assumptions, statements regarding plans, objectives, intentions and/or expectations with respect to future financial results, events, operations and services and product development, as well as statements, regarding future performance or events. Forward-looking statements are generally identified by the words "expects", "anticipates", "believes", "intends", "estimates", "plans", "projects", "may", "would" "should" or the negatives of these terms and similar expressions. Although Capgemini's management currently believes that the expectations reflected in such forward-looking statements are reasonable, investors are cautioned that forward-looking statements are subject to various risks and uncertainties (including, without limitation, risks identified in Capgemini's Registration Document available on Capgemini's website), because they relate to future events and depend on future circumstances that may or may not occur and may be different from those anticipated, many of which are difficult to predict and generally beyond the control of Capgemini. Actual results and developments

may differ materially from those expressed in, implied by or projected by forward-looking statements. Forward-looking statements are not intended to and do not give any assurances or comfort as to future events or results. Other than as required by applicable law, Capgemini does not undertake any obligation to update or revise any forward-looking statement.

This press release does not contain or constitute an offer of securities for sale or an invitation or inducement to invest in securities in France, the United States or any other jurisdiction.
