# Capgemini positioned as a Leader in Gartner's 2019 Magic Quadrant for Data and Analytics Service Providers, Worldwide

**Paris, February 27, 2019 – Capgemini has been positioned as a Leader in Gartner's 2019 "Magic Quadrant for Data and Analytics Service Providers, Worldwide" for completeness of vision and ability to execute. We believe the recognition validates Capgemini's mature data and analytics practice owing to its global presence and capabilities in areas related to insights and data. The Gartner Magic Quadrant evaluated 19 service providers for a broad range of services across a variety of data and analytics needs.**

*"We are proud to be named a Leader in Gartner's Magic Quadrant for Data and Analytics Service Providers, Worldwide. To us, the positioning validates our commitment to create and deliver the capabilities and solutions that customers need to create business impact from insights,"* said Zhiwei Jiang, CEO of Insights & Data at Capgemini. *"We have taken many proactive steps to enable and deploy successful applied insights for our clients across the globe, including the creation of a number of domain and sector-specific AI and analytics solutions."*

Capgemini's Insights & Data team, consisting of over 16,000 professionals globally, partners with its clients to create and deliver the capabilities and solutions that they need to thrive on data and deliver real business outcomes.
