Intelligent Process Automation

Build a digitally augmented workforce at scale through leveraging intelligent automation under COVID-19

Is your organization experiencing a shortage of scalable workforce and relying on the manual execution of finance and accounting, supply chain, human resources, and contact center processes?

10–25% *of process scope savings*

ROI within **3–6 months**

Capgemini

Capgemini's Fast-track Intelligent Process Automation (IPA) enhances your business operations with automated, end-to-end processes and a virtual, digitally augmented workforce at scale – all of which is underpinned and infused with RPA, AI, and smart analytics to deliver an unprecedented level of process intelligence to your organization 24/7.

Our Fast-track IPA solution provides a virtual, scalable workforce within 4–6 weeks that delivers increased productivity, efficiency, agility, client satisfaction, and revenue – as well as 10–25% of process scope savings and a return on investment within 3–6 months.
