

**AGREEMENT GOVERNED BY ARTICLE L.225-38 OF THE FRENCH COMMERCIAL CODE ON RELATED PARTY TRANSACTIONS AND PUBLISHED PURSUANT TO ARTICLE L.225-40-2 OF THE FRENCH COMMERCIAL CODE**

The following agreement was authorized by the Board of Directors of Capgemini SE held on June 24, 2019 in the context of the approval of the proposed acquisition of Altran Technologies, as publicly announced on June 24, 2019.

**Bridge loan**

At its meeting of June 24, 2019, the Board of Directors unanimously authorized the signature by the Company of a financing agreement in the form of a bridge loan to which several banking institutions including Crédit Agricole SA and Société Générale as well as their respective affiliates could be invited to participate during the sub-underwriting phase.

Mrs. Laurence Dors, director of Crédit Agricole SA, Mr. Xavier Musca, Deputy Chief Executive Officer of Crédit Agricole SA, and Mr. Frédéric Oudéa, Chief Executive Officer of Société Générale, did not participate in the deliberation and the vote due to their positions in these institutions.

Pursuant to this authorization, a bridge loan of €5,400 million was signed on June 24, 2019 between Capgemini as borrower and BNP Paribas as original lender and mandated lead arranger and bookrunner. On July 15, 2019, several credit institutions including Crédit Agricole Corporate and Investment Bank and Société Générale became parties to the bridge loan as new lenders and new mandated lead arrangers and bookrunners with a final commitment of €675 million each, corresponding to 12,5% each of the total amount following the sub-underwriting phase. These amounts could be reduced in future, in particular as a result of the on-going syndication phase.

This bridge loan of an initial term of one year, with two successive six (6) month extensions options, exercisable at the Company's request, contains standard provisions for this type of financing.

The commissions and interests payable to Crédit Agricole Corporate and Investment Bank and Société Générale in respect of this bridge loan are identical to those paid to other financial institutions participating in the bridge loan in the same capacity and are consistent with market practice for this type of financing.

The Board of Directors noted that the above-mentioned institutions participate regularly in financing operations both in and outside France. It also observed that (i) this regulated agreement is an essential component of the transaction linked to Altran Technologies' acquisition, and (ii) its terms and conditions, including the financial terms, are in line with market standards.
