## **Capgemini Appoints Doug Lane CEO of Capgemini Government Solutions LLC**

*Lane brings 30 years of experience managing government and commercial technology initiatives for public sector clients*

Reston, Va., June 17, 2014 – [Capgemini](#), one of the world’s foremost providers of consulting, technology and outsourcing services, announced the appointment of Doug Lane as chief executive officer of Capgemini Government Solutions LLC, a subsidiary of the Capgemini Group. Lane will oversee the strategic direction of the firm and guide the delivery of a [diverse range of solutions](#) for the U.S. federal government, as well as state and local government agencies. He reports to Tim Bridges, chief executive officer, Capgemini U.S. LLC.

*“Doug is a leader in government technology consulting across the federal, state and local levels, helping agencies and firms generate operational efficiencies with their IT management systems and services to increase business value,”* said Tim Bridges, chief executive officer, Capgemini U.S. LLC. *“Our government solutions team is an invaluable technology provider to our clients as they digitally transform their operations and, with Doug’s leadership, can help them take advantage of new opportunities and trends, such as cloud, mobility, social and big data.”*

Lane brings 30 years of IT and consulting experience, which includes senior executive roles with A.T. Kearney, Booz Allen Hamilton, and PwC. Most recently, he was a lead partner at A.T. Kearney, responsible for business development and service delivery. From 2006 to 2012, he was at Booz Allen Hamilton, serving his last three years as a senior vice president where he led the transportation business and was the lead IT executive for federal energy, transportation and environmental agencies. Prior to that, he held partner roles with IBM and PwC, responsible for business development and service delivery for state government and utilities markets.

*“Capgemini has built a solid reputation in the North American market as a trusted and innovative IT systems integration and consulting provider and is well positioned to elevate its contributions across the public sector market,”* said Doug Lane, chief executive officer, Capgemini Government Solutions. *“We have an exceptional group of talent with whom I look forward to collaborating to meet clients’ technology objectives at every level of the public sector.”*

**About Capgemini Government Solutions**

Capgemini Government Solutions LLC helps U.S. federal, state and local government organizations transform operations and the citizen experience, particularly in the areas of homeland security, tax and revenue management, justice and public safety, labor-unemployment modernization, and health services.
