

# 10 REASONS TO JOIN

Thinking about joining us?

Here are the top ten reasons why that's a great idea.

## Your values are our values

We're guided by seven core values:

# 10

Honesty

Trust

Team Spirit

Fun

If you share these values, then you'll find your place with us.

## People come first

# 9

Through our People Charter, we encourage free exchange of ideas, respect for differences, and wellbeing in the workplace for everyone.

# 8

## Never stop learning

At the Capgemini Group University, you'll learn via classroom-based and virtual courses, e-learning modules and rich-media online resources.

## Feel free to grow

# 7

Over the course of your career, your goals may shift. Want to change your focus? Switch tracks? We're here to help.

# 5

## Forget the notion of the "typical day"

Challenge and variety are constants here. From the work you do to the people you meet to the places you travel, we'll keep you on your toes.

## Get inspired by your colleagues

# 6

Our cultural diversity means you'll always have something to learn from those around you.

## Strike a balance that works for you

# 4

You're human—and so are we! We strive to make sure our employees achieve a healthy, happy work-life balance.

## Count on us for career growth

# 3

We're always growing and so should you. We prioritize the personal development of our team members with our Capgemini Group University.

# 2

## Your love for Travel

We have 300 offices in 44 countries around the world. You'll have opportunities to travel or work in different locations.

## Dig in your first day

# 1

Whether you join us as a recent graduate or a seasoned professional, you'll start to work directly on challenging projects from day one.
