## **Bunge Limited selects Capgemini for global finance services**

*Seven-year engagement leverages Capgemini's internationally recognized expertise in F&A processes*

**Paris, November 5, 2009 – Capgemini, one of the world's foremost providers of consulting, technology and outsourcing services, today announced that Bunge Limited, a leading global agribusiness and food company, selected Capgemini to support its finance operations by providing select finance and accounting (F&A) services, under a seven-year agreement with Capgemini America, Inc.**

Aligned with its Rightshore® global delivery model, Capgemini will provide select front-office, customer-facing functions, and specialized activities in some geographies, including global transactions, master data and issue resolution.

*“Capgemini's proven track record of maximizing efficiency in F&A processes, along with its global delivery model, was a major factor in our decision to select them as our partner for this initiative,”* said Jacquelyn Fouse, Chief Financial Officer, Bunge Limited. *“We are confident the partnership we are building with Capgemini will further support the continued growth of our business over the next decade.”*

*“With more than 60 clients serviced by talented professionals around the world, Capgemini is a leader in financial shared services. The combination of our leading approaches, analytics value, Rightshore® delivery model, and suite of tools and technology enables us to provide the right services to global clients like Bunge to streamline their Finance operations and support sustainable performance,”* said Hubert Giraud, Head of Capgemini BPO. *“We are proud to partner with a company like Bunge Limited and look forward to working with them on this important finance transformation initiative.”*
