**Capgemini Named a Leader among Global Oracle Services Providers
By Independent Research Firm**

Paris, July 13, 2011 - Capgemini, one of the world's foremost providers of consulting, technology and outsourcing services, announced it has been named a leader in an independent report on Global Oracle Services Providers by Forrester Research, Inc.

Capgemini was among the selected companies that Forrester invited to participate in its 2011 report, “The Forrester Wave™: Oracle Services Providers, Q2 2011”. The report assessed 14 leading global services providers across 68 criteria. Following evaluation, Capgemini was cited as a “leader” among global Oracle Services Providers.

The Forrester report describes Capgemini in its vendor summary as follows: “*Capgemini is one of the top Oracle applications partners worldwide, with a particularly strong presence in Europe. The provider is strong across the implementation and support life cycle. Capgemini’s “Rightshore” delivery model is a critical part of its overall delivery strategy, including more than 3,000 low-cost delivery resources. Capgemini has been investing in R&D around SOA and Fusion including its Capgemini Oracle Fusion Experience (COFE) Lab targeted at building knowledge and industry-specific solutions.*”¹

“*We are proud to be recognized as a leader in Oracle services*”, said Connie Cservenyak, Global Oracle Partner Executive, Capgemini. “*We have helped numerous organizations worldwide reach their potential with innovative Oracle technology. Capgemini continues to be at the forefront of Oracle’s ever-growing technology portfolio, and we look forward to continuing to collaborate with them.*”
