**Capgemini Ranks in Top Ten in Global Outsourcing 100 list
- by International Association of Outsourcing Professionals® (IAOP®)**

Paris, 19 July 2012 — Capgemini, one of the world’s foremost providers of consulting, technology and outsourcing services, today announced it has been ranked in the top ten in The 2012 Global Outsourcing 100 by the International Association of Outsourcing Professionals® (IAOP®). Capgemini has moved up to 8th position from 14th last year.

The 2012 Global Outsourcing 100 and The World's Best Outsourcing Advisors recognizes the world’s best outsourcing service providers and advisors. These rankings are based on applications received and evaluated by an independent judging panel organized by IAOP. All applicants are evaluated on factors including revenues, customer outcomes, capabilities, relationship management approaches and management talent and experience.

“The global sourcing industry is going through some key strategic shifts in the areas of technology modernization, sourcing models and cost arbitrage,” said R. Arun Kumar, Global Advisor Relations Head and Strategic Global Sales Head for the Application Services Unit at Capgemini. *“This ranking in the Top 10 recognizes Capgemini as a leader in helping customers, with its differentiated approach towards global outsourcing services across Applications, Infrastructure and Business Processes.”*

“In today’s economy, it is more important than ever for outsourcing end users to be able to easily identify and select the right company for their outsourcing needs,” said IAOP Chairman, Michael Corbett. *“The Global Outsourcing 100 and The World’s Best Outsourcing Advisors lists are essential for companies who are looking for proven leaders and rising stars in the outsourcing industry.”*

The International Association of Outsourcing Professionals® (IAOP®) is in its seventh year of compiling its annual ranking of the world's best outsourcing service providers and advisors.
