Capgemini positioned in Leaders Quadrant for Oracle Application Service Providers, Europe

Paris, 14 February 2012, Capgemini, one of the world's foremost providers of consulting, technology and outsourcing services, today announced that it has been positioned by Gartner, Inc in the leaders quadrant for Oracle Application Service Providers, Europe in the latest "Magic Quadrant for Oracle Application Service Providers, Europe" ¹.

Capgemini has been positioned based on "ability to execute" and "completeness of vision."

Connie Cservenyak, Oracle Partner Executive for Capgemini, said: *"We are proud to be recognized as a leader in Oracle Application services in Europe. We believe it is testament to the hard work of our teams and our innovative solutions. Capgemini continues to be at the forefront of Oracle's ever-growing technology portfolio, working in collaboration to help clients unleash their potential."*

Since 1995, Capgemini has collaborated with Oracle to help organizations unlock the potential of cutting-edge technology. Capgemini was named a Diamond level partner, the highest possible ranking in the Oracle PartnerNetwork Specialized program in June 2011. Oracle PartnerNetwork counts over 12,000 Oracle specialists worldwide and thousands of successful deliveries across all sectors. Capgemini's Lifecycle Services for Oracle Applications is a comprehensive managed service to help clients increase business agility, reduce time to market and total cost of ownership, create innovation and extract value from investment in Oracle technology.
