**Capgemini wins the European Supply Chain Excellence Award
for Hi Tech, Communications and Electronics**

Paris, 10 December 2012 – Capgemini, one of the world's foremost providers of consulting, technology and outsourcing services, has announced that it has won the Supply Chain Excellence Award for the Hi Tech, Communications and Electronics sector for its work in collaboration with Nokia Siemens Networks at The European Supply Chain Excellence Awards 2012 in London. The award is given to organizations in Europe that demonstrate excellence in their supply chain operations.

This is a joint award that Capgemini has won with Nokia Siemens Networks (NSN) as recognition of the significant achievements realized in the ongoing and radical transformation of NSN's end to end Supply Chain. This transformation project has spanned NSN's global footprint and displayed Capgemini's collaborative approach as NSN's global BPO Partner to streamline processes and achieve significant cost savings.

Ann Schwemler, Global BPO Supply Chain Service Delivery Leader at Capgemini said: *“We are delighted to be recognized for Transformational Outsourcing and our Supply Chain Services expertise. We have a rich heritage in providing supply chain services to some of the world's largest and most complex companies to meet the needs in the ever-changing supply chain landscape.”*
