## **Capgemini Receives 2018 SAP® Pinnacle Award: Customer Choice Partner of the Year - Large Enterprises**

Paris, May 30, 2018 - [Capgemini](#) today announced that it has been awarded a 2018 SAP® Pinnacle Award as "Customer Choice Partner of the Year - Large Enterprises", for its contribution to its customers' digital business transformation which has resulted in significant business impact. SAP presents these awards annually to the top partners that have excelled in developing and growing their partnership with SAP and helping customers run better. Winners and finalists in 29 categories were chosen based on recommendations from the SAP field, customer feedback and performance indicators, including two Customer Choice awards, which recognize customer-nominated SAP partners.

The award marks an 11th consecutive win for Capgemini as a SAP Pinnacle award recipient and the third year in a row that Capgemini has won in the Customer Choice Partner category, demonstrating its commitment to a customer-centric approach. Capgemini was also named a finalist in the "SAP Leonardo Partner of the Year" award category.

*"We are delighted to have received the Customer Choice Partner of the Year – Large Enterprises award, and to have been named as a finalist for the SAP Leonardo Partner of the Year,"* said Olivier Sevillia, member of the Group Executive Board, Capgemini. *"Together with SAP we are helping our customers to innovate and excel at digitally reinventing their businesses on an enterprise scale; receiving the Customer Choice award acknowledges the value we are bringing to them."*

As a global SAP partner, Capgemini is one of the world's largest and most experienced SAP systems integrators, with 17,500 practitioners worldwide and over 40 years of experience. Together, Capgemini partners closely with SAP across technologies and solutions to bring innovation and transformation to organizations. Examples of this include [Fast Digital 4 Discrete Industries](#) (FD4DI), a joint initiative where SAP and Capgemini are working together to help clients in discrete manufacturing industries to manage their digital transformation, as they seek to adopt innovative concepts driven by the industrial Internet-of-Things (IoT), leveraging the latest SAP solution portfolio including SAP Leonardo, SAP S/4HANA and SAP Hybris.

*"The open partner ecosystem of SAP has more depth, talent and expertise than any ever created in the technology industry,"* said Bill McDermott, CEO of SAP. *"I could not be prouder of the great partners who earned this prestigious recognition for their commitment to our customers."*

SAP Pinnacle Awards shine a spotlight on SAP's partners' remarkable contributions, acknowledging their dedication to teamwork, innovative approach and capacity to challenge what is possible to help customers achieve their goals. Award winners will be formally recognized at the SAP Global Partner Summit in Orlando, Fla. on June 4. The SAP Global Partner Summit is held in conjunction with SAPPHIRE NOW® and ASUG Annual Conference, the largest global business technology event, hosted by SAP and ASUG June 5-7.
