

# Augmented Finance Services

Drive improved outcomes across cash flow, working capital, year-end reporting, and auditing under COVID-19

---

10–20% *improvement in DSO*

*Faster month-end close*

*Is your organization struggling to keep finance processes moving, as well as cash, working capital, maintaining financial reporting and audit obligations following disruption to business continuity caused by COVID-19?*

Rapid deployment within  
**4–6 weeks**

Capgemini's Augmented Finance Services deploys qualified operational finance experts and augmented technology to deliver tangible outcomes across your finance value chain in cash improvement, financial reporting, and close, while maintaining core finance processes in purchase-to-pay, order-to-cash, and record-to-analyze from a remote environment.

Our solution delivers tangible outcomes to your organization within 4–6 weeks, including increased cash flow within 3–6 months, capacity to drive faster month-end close, 10–20% improvement in DSO, up to 30% reduction in audit fees, improved backlog clearance, reduced spend and cost control, and improved year-, quarter-, and month-end completion on a risk reward basis.
