Gartner names Capgemini a Leader in Business Analytics Services

Paris, February 22, 2017 – [Capgemini](http://www.capgemini.com), a global leader in consulting, technology and outsourcing services, has been recognized as a Leader in Gartner Magic Quadrant for Business Analytics Services, Worldwide, 14 February 2017, Jorgen Heizenberg et al.

“We are proud to have been recognized as a leader in Business Analytics by Gartner. We believe this is for our commitment to applied innovation and our ability to harness business value for our clients. Our pioneering and ongoing investments in the latest data science techniques and big data technologies have only one purpose: to help our customers on their journey to drive business value through insights at the point of action,” said John Brahim, Head of Insights & Data at Capgemini.

The Gartner Magic Quadrant evaluated full-service providers for a broad range of services across a diverse range of business analytics (BA) needs. Leaders provide offerings that meet demand in analytical services, as well as demonstrate the vision necessary to sustain their position as requirements for asset-based consulting evolve in the market.
