## **Capgemini positioned as a Leader in Gartner's 2021 Magic Quadrant for SAP S/4HANA Application Services**

**Paris, July 19, 2021 – [Capgemini](#) today announced that it has been named a Leader in the Gartner 2021 "Magic Quadrant for SAP S/4HANA Application Services, Worldwide\*" for completeness of vision and ability to execute. The Gartner Magic Quadrant evaluated a total of 20 service providers for their SAP S/4HANA application solutions.**

Capgemini was recognized for its:

- Focused approach on SAP S/4HANA-based business transformation
- Capabilities in industrial, engineering and R&D sectors
- Continued investment in growing the SAP S/4 HANA practice with [the highest number of certifications](#) in the SAP partner ecosystem

According to Gartner, in this Magic Quadrant, Leaders are performing well today, gaining traction and mind share in the market; they have a clear vision of market direction and are actively building competencies to sustain their leadership position in the market. Leaders have built a considerable SAP S/4HANA record of accomplishment and capabilities across multiple industries, geographies, deployment approaches or modules.

*"We believe this recognition underlines our extensive experience in providing SAP S/4HANA solutions to our clients, our joint initiatives with SAP, and our ability to support relevant industry-specific business issues with solutions that enable growth,"* said Josean Mendez, Global SAP Partner Lead at Capgemini. *"Our vision is to enable our clients to become a renewable enterprise, by helping them embrace intelligent technologies, and extend the digital core with new digital processes and services, all pivotal for their business transformation journey."*
