Capgemini named a 'Leader of the Year' in Banking and Financial Services, as well as Insurance in Everest Group's PEAK Matrix Service Providers Awards 2022 for IT Services

Paris, July 15, 2022 – Capgemini has been named a 'Banking and Financial Services Leader of the Year' and an 'Insurance IT Services Leader of the Year' by Everest Group in the PEAK Matrix™ Service Provider of the Year Awards 2022 for IT Services. Throughout 2021, Everest Group published 26 PEAK Matrix™ assessments. Those who performed consistently in these assessments received the Service Provider of the Year awards.

"It is an honor to be recognized by Everest Group as a 'Leader of the Year' for both banking and financial services and Insurance IT services. These multiple recognitions are a testimony of our ability to meet our clients' dynamic requirements with innovative solutions," said Anirban Bose, CEO of Capgemini's Financial Services Strategic Business Unit and Group Executive Board member. "We have strengthened our capabilities with a dedicated go-to-market focus in the banking and financial IT segment and collaborated with third-party platforms as well as the InsurTech community. The pandemic has driven significant transformations in these market segments and Capgemini is proud to lead this evolution."

Pranati Dave, Practice Director, Everest Group said *"Clients have appreciated Capgemini's ability to function as a strategic partner in helping assess the target operating model and the right product fit for the specific needs of financial services enterprises. Capgemini's success in high potential payment hub transformation projects, and its devoted program to continuously assess FinTechs and integrate their best-in-class solutions have made it a 'Leader of the Year' in Banking and Financial IT Services in Everest Group's PEAK Matrix Service Provider of the Year™ 2022 awards."*

Aaditya Jain, Practice Director, Everest Group said, *"Capgemini has continued its strong growth trajectory in the Insurance IT services space and done significantly well to capitalize on the growing platform-based modernization needs of insurers. Focused investments into building strategic partnerships with market-leading third-party platforms, especially in the core P&C insurance space; active collaboration with the InsurTech community; and success in supporting large insurers across multiple lines of businesses have helped to get recognized as a 'Leader of the Year' in the Insurance IT services space in the Service Provider of the Year™ 2022 awards."*

The detailed list of awards is available [here](#).
