Solutions Showcase – Meet the Experts

Augmented workforce

Bringing the best of humanity and technology together for extraordinary results.

**Yvette
Zzauer**

Next-gen clinical development

Driving success and time-to-market in clinical development.

**Ivana
Knyght**

(Gen) AI and analytics in R&D and operations

Transforming the way we bring new therapies to market through AI.

**Justin
Melnick**

**Bruce
Fairley**

Next-gen laboratory solutions

Reinvigorating the ways laboratories work.

**Arijit
Chatterjee**

**Matthew
Thompson**

Intelligent compliance

Transition to an intelligent and integrated regulatory sciences framework.

**Frédéric
Burger**

Smart manufacturing

Connecting the physical and digital worlds of modern manufacturing for operations excellence.

**Gopal
GopalKrishnan**

**Jasmine Amel
Auameur**

Intelligent medical products & systems

Enhancing human life by moving from connected and smart to truly intelligent solutions.

**Suresh
Sarojani**

**Tim
Bosch**

About Capgemini

Capgemini is a global business and technology transformation partner, helping organizations to accelerate their dual transition to a digital and sustainable world, while creating tangible impact for enterprises and society. It is a responsible and diverse group of 340,000 team members in more than 50 countries. With its strong over 55-year heritage, Capgemini is trusted by its clients to unlock the value of technology to address the entire breadth of their business needs. It delivers end-to-end services and solutions leveraging strengths from strategy and design to engineering, all fueled by its market leading capabilities in AI, cloud and data, combined with its deep industry expertise and partner ecosystem. The Group reported 2023 global revenues of €22.5 billion.
