

Transform experiences, inside and out, with Capgemini

Capgemini empowers insurers to reimagine their core capabilities by harnessing the full potential of the Guidewire ecosystem through end-to-end transformation. By integrating best-in-class solutions across the insurance value chain, we help clients streamline operations, enhance customer engagement and realize measurable financial impact.

Our approach combines deep domain expertise, agile delivery, and scalable architectures to accelerate time-to-value and future-proof insurer capabilities. Whether modernizing core platforms, optimizing workflows, or enhancing digital touchpoints, we deliver outcomes that matter.

Capgemini and Guidewire

- **170+ Guidewire engagements** spanning strategy, implementation, and support.
- **30+ large-scale global transformation programs** delivered end to end.
