

Your Guidewire journey, simplified

Accelerate transformation with Capgemini on Guidewire Marketplace

Capgemini helps Guidewire customers go further, faster.

Having trouble launching new insurance products quickly? Many insurers find they're spending too much time and money building custom solutions for niche products or local rules. While Guidewire's InsuranceSuite supports a wide array of products and regions, it doesn't cover everything.

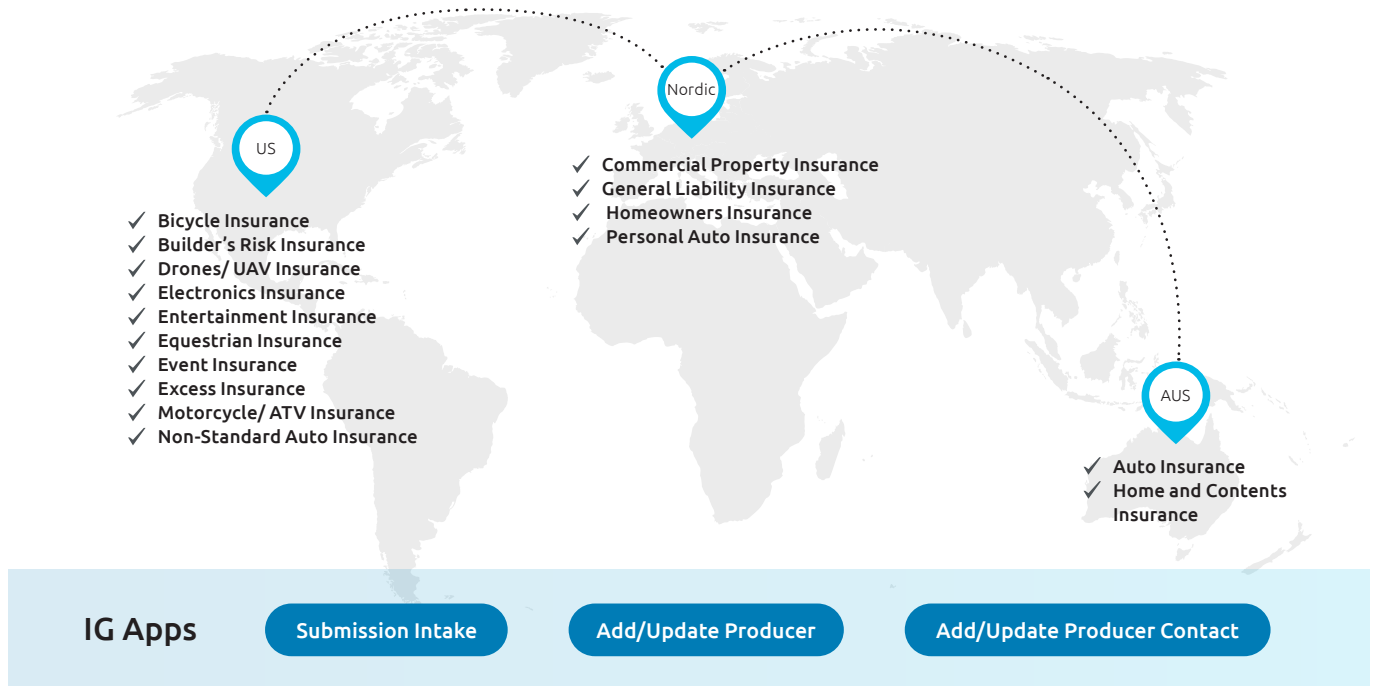

That's where Capgemini comes in. We've created ready-to-use tools that build on Guidewire's products and services, helping insurance companies move faster and smarter. Whether it's a specialty product or a pre-built integration app, our solutions are designed to fill in the gaps, helping build a foundation that delivers results.

Read on to learn how we can help you can maximize Guidewire's potential – and your own.

Our published solutions span the globe
